

# Getting the Most out of Your DNA Results

Saturday, October 26, 2019, 11:00 am - 4:30 pm

featuring

Patricia Lee Hobbs, CG®

**Patricia Lee Hobbs, CG®** lives in southwest Missouri and works as a professional genealogist. She volunteers as a trustee of the Board for Certification of Genealogists, as a BCG Education Fund trustee, as the Education Committee chair for the Ozarks Genealogical Society, and serves on the editorial board for the *National Genealogical Society Quarterly*. Patti has taught in several institute courses and is the course co-ordinator for "Genetics for Genealogists: Beginning DNA" at the Institute of Genealogy and Historical Research. Her article "DNA Identifies a Father for Rachel Lee of Huntingdon County, Pennsylvania" was published in the March 2017 issue of the *National Genealogical Society Quarterly*, and she is a contributing author of *Advanced Genetic Genealogy: Techniques and Case Studies*.

## ♦ SEMINAR PROGRAM

### 10:30-11:00 Registration & Refreshments

#### ♦ Roadmap to Solving Genealogical Problems with Autosomal DNA: The Trip Begins

Tools abound to aid the genetic genealogist in problem solving. Get an overview of foundational principles in understanding autosomal DNA inheritance.

#### ♦ Lunch

#### ♦ Roadmap to Solving Genealogical Problems with Autosomal DNA: Navigating Difficult Routes

Selective use of tools, both DNA-company and third-party, demonstrate logical processes to confirm or identify ancestors. Focus on different methods and sequences in using DNA with documentary evidence.

#### ♦ Problem Solving with DNA: Case Studies

Examine four relationships that were either unknown or unproven based on only using documentary research. Travel along and embark on the journey of discovery using DNA and documentary resources.

## ♦ SEMINAR LOCATION

### Palm Harbor Library

2330 Nebraska Ave, Palm Harbor, FL
